

## General Rules and Guidelines (Adult Sailing Program)

- Coast Guard Approved Life Jackets must be worn at all times when participating in the program
- No Alcohol or recreational drug use will be permitted while participating in the program.
- Members only.
- Must be 10 years or older to participate and accompanied by a guardian
- Physically capable to board and maneuver within that boat as necessary to maintain individual safety and to allow the skipper to sail the boat in a safe and reasonable manner.
- The volunteer skipper will make all decision for sailing based on current weather conditions.
- The volunteer skipper has the sole authority to terminate sailing for the day.
- Sailing participants will have the right to be returned to the club should they feel uncomfortable for any reason. Friday Bay series sailing will be an exception.
- Participants will help with crew duties as necessary to sail the boat safely.
- The program release/waiver must be signed prior to participating.
- Weather conditions along with boat wake can lead to wet conditions. Please wear appropriate clothing.

## Boat Loan Program (additional requirements)

- The skipper must have the necessary sailing experience to safely handle the J22 or Lightning.
- The skipper is responsible for each crew member along with the safe operation of the boat.
- The participant will understand the weather and tides play an important role in the safe operation of the boat.
- You are responsible for any damage to the boat.
- The boat should be returned to the dock and tied up and put away as you found the boat. Please report any problems with the boat.
- Boat Lease agreement must be signed prior to sailing (and the waiver noted above).
- Cost associated with towing will be the responsibility of the participant.
- Guests are allowed.
- Limit 5 on the j22 and 3 on the lightning.
- Children of members only will be allowed (over the ages of 7)
