- This is a BYOF (and BYOB) event – our 1<sup>st</sup> Annual Chili Cook Off.
- Competitors: Please bring your ‘pot’ of chili in a slow cooker (enough for many members to sample your specialty). Whatever variety of chili you’d like to make, is fine!
- If you have a ladle and an A/C extension cord, please bring them as well.
- We’ll supply a toppings bar (shredded cheese, chopped onions, bell peppers, jalapeños and sour cream) along with corn bread and tortilla chips.
- We’ll also supply bowls, napkins and spoons and voting ballots. Each chili’s cook will be anonymous. After everyone has tasted and rated, we’ll tally the scorecards and announce the winner(s).

Of course, we want as many chili entrants as possible, but if you’re not a Chili guru, that’s ok, come on out & taste your friends’ chili specialties. Please let us know whether or not you will be bringing chili when you respond to this. If you are not bringing a chili entry, please bring a green salad or a dessert to share.
